Dear friends,

With yet another spectacular show in 2011, the North Shore Concours d'Elegance at Misselwood has turned heads and wheels on more than one occasion. Several thousand people attended last year's show, which included more outstanding cars, vintage motorcylces and activities than ever before, while raising a significant amount of money to support student scholarships!

For the 2012 show, we are expecting even bigger crowds and are certain you will appreciate the changes and additions that were made to enhance the overall concours show. Besides the traditional fashion shows and art exhibits, we will be adding the following events to the show.

- As an added option, we welcome you to enjoy a sumptuous *champagne brunch buffet*, while overlooking the atlantic ocean and enjoying the fabulous automobiles.
- Another exciting addition is the "*fancy hat competition*". For both gentlemen and ladies, we will be awarding prizes for those wearing their most spectacular hats - from the flamboyant to the elegant, this is all about to see and be seen!
- The *Valle R. Nelson Award* was established in remembrance of the late Valle Nelson, a local car enthusiast whose passion for cars far exceeded everyone's imagination. The car driven the furthest distance to attend the show will be honored with this prestegious award.

If this is your first time attending the North Shore Concours d'Elegance, we welcome you to our Misselwood Estate, located in an area often referred to as the "Gold Coast"; a summer destination for wealthy Bostonians and New Yorkers in the late eighteenth and early nineteenth century. Set in this idyllic backdrop, literally at the edge of the Atlantic Ocean, the ***North Shore Concours D' Elegance*** rivals other noteworthy concours shows with its location.

2011 Best in Show
1932 Duesenberg SJ Dual-Cowl Phaeton

Funds raised from this event will go directly towards scholarships at Endicott College, benefitting current and future students by providing financial opportunities and allowing them to continue their higher educational dreams, as more than 80% of Endicott students receive financial aid. We hope you will support this exciting Concours event and look forward to seeing you there.

Regards,
Patrick Cornelissen
