Endicott College and the ECIS International Teacher Certificate

Endicott College is pleased to announce an initiative in collaboration with ECIS and the ITC. Educators who have **completed** the ECIS International Teacher's Certificate and who wish to enroll in Endicott College's **M.Ed. in International Education** or the **M.Ed. in International Education with ESL Specialization** programs may have one third of the program courses waived. In order to do so the participant must request a confirmation and stamped copies of the feedbacks for the Standards from Cambridge and must submit the original ITC certificate as part of the application process. These documents are in addition to all official transcripts from undergraduate and graduate programs that applicants have attended. All original documents will be returned after the application process is completed.

The charts below show the normal sequence of courses on the left and show which courses can be waived by those who have successfully completed the ITC program.

MEd International Education **Requirements: Normal Sequence**	**Comments:** **Possible program of studies:**
Summer One	
IED 580 Innovative Practices in Education	**Could be waived.**
