Endicott College Computers Specs for Studio Art and Art Therapy.

New Computer Purchase Recommendations Academic Year 2023-24

If you are planning to purchase a new computer for the Fall of 2022, we ask that you take note of our recommendations for a new computer purchase:

Studio Art
MacBook Pro 13-inch Laptop

Apple M1 chip with 8-core CPU, 8-core GPU, and 16-core Neural Engine
8GB unified memory
512GB SSD storage
13.3-inch (diagonal) LED-backlit display with IPS technology
Backlit Magic Keyboard with Touch Bar, Touch ID sensor and Force Touch Trackpad
Two Thunderbolt / USB 4 ports
AppleCare Protection Plan

External 1TB Solid State Drive to back up images and other material. We recommend the Samsung 1TB T7 Portable SSD.

Art Therapy and Expressive Arts Therapy
13-inch MacBook Air

Apple M1 chip with 8-core CPU, 8-core GPU, and 16-core Neural Engine
8GB unified memory
512GB SSD storage[1]
13.3-inch (diagonal) LED-backlit display with IPS technology
Backlit Magic Keyboard with Force Touch Trackpad
Touch ID sensor
Two Thunderbolt / USB 4 ports
AppleCare Protection Plan

External 1TB Solid State Drive to back up images and other material. We recommend the Samsung 1TB T7 Portable SSD.
