# ENDICOTT ATHLETICS

## DEPARTMENT OF ATHLETICS

# MISSION STATEMENT

The Department of Athletics and Recreation supports the College's mission by providing an experiential opportunity for individual development outside of the traditional classroom setting. Backed by committed administrators, coaches, and faculty, all students are challenged and encouraged to reach their physical, intellectual, and social potential through participation in a broad-based program of intercollegiate, club sport, intramural, and recreational offerings.

In addition, The Department encourages the development of sportsmanship and positive social attitudes in all constituents: including students, faculty, staff, alumni, and spectators. We seek to establish and maintain an environment that values the principles of fair play, amateur athletic competition, cultural diversity, and gender equality. In this environment, students are provided with experiences that honor effort and perseverance, reward self-discipline, and promote mutual understanding and respect.

In pursuant to the College's mission, the department seeks to change lives by engaging students in a variety of offerings that encourage a healthy lifestyle and challenge participants to meet and exceed personal goals and expectations through sport.

# FACILITIES

**1 NORTH FIELD** The North Field is home to the Endicott baseball and field hockey teams. The grass field is equipped with lights to allow play at any time of the day throughout the year. The North Field also hosts Endicott's intramural and recreational programs, area youth programs, and Nike's U.S. Sports and other summer camps.

**2 SOFTBALL STADIUM** Endicott's state-of-the-art softball complex opened at the start of the 2006 season and is located between the Post Center and the Stadium. Carved out of the rock with a 100-foot stone cliff in center and right fields, the Stadium is home to the softball team and includes two bull pens, dug-outs, a press box, and seating for 500.

**3 FIELD-TURF STADIUM** In the fall of 2003, Endicott opened a state-of-the-art athletic field with the highly touted Field Turf playing surface — complete with an oversized Daktronics Scoreboard with multimedia capabilities and premium sound system. Nestled against a background of classic New England landscape, this facility has seating for over 2,200 spectators. This beautiful facility plays host to the Gulls football, men's and women's soccer, and men's and women's lacrosse teams as well as intramural sports.

**4 THE POST SPORTS SCIENCE AND FITNESS CENTER** The 84,000-square-foot Center is home to Endicott's Athletic Department and the School of Sport Science and Fitness Studies. This impressive facility provides eight classrooms and laboratories to support the academic departments. The seminar room has theater-style seating and computerized cameras and smartboard equipment for internet and long distance learning. The Center contains the 1,200-seat MacDonald gymnasium and a separate recreation field house. These large activity spaces are complemented by a newly expanded weight and fitness room, aerobics and dance studio, two racquetball courts, elevated walking/jogging track, ten locker rooms, and a spacious training room.

**TENNIS COURTS** Endicott's tennis courts are located on the South Campus behind the Van Loan School of Graduate and Professional Studies, and adjacent to the Wylie Conference and Education Center. The six courts are home to Endicott's men's and women's tennis teams, as well as host to summer instructional programs.

**MACDONALD GYMNASIUM** The 1,200-seat MacDonald Gymnasium is home to both the men's and women's basketball and volleyball programs. The gymnasium is also utilized for major College events such as concerts, open houses, Founder's Day, guest speakers, and job fairs. In addition, the gym plays host to the top prep-school basketball players in the region through the New England Preparatory School Athletic Council Class A Tournament. Over the course of an academic year, more than 75,000 people will leave their footprints inside the MacDonald Gymnasium.

# ENDICOTT VARSITY ATHLETICS

## BASEBALL

Needing just one more win to capture their first TCCC Championship since 2006, the Endicott baseball team fell to top-seeded Western New England 5-4, squashing their hope of a fifth NCAA Tournament appearance in program history. The Blue and Green went on to the ECAC New England Tournament where they won their second ECAC title after

convincing victories over Becker and Suffolk.

The 2011 Gulls boasted a deep pitching rotation, stacked lineup, and leadership from the coaching staff and senior captain Chris Dominguez (Braintree, Mass.) that led to a record-setting 32-win season. The Gulls pitching staff ranked second

in the conference and was armed with the league's Pitcher of the Year winner Benjamin Petrides (Belchertown, Mass.) who went a perfect 5-0 season with a 2.01 ERA in 49.1 innings pitched. Several Endicott hitters impressed this past spring including rising senior Colin Sitarz (West Hartford, Conn.) who set career-highs in runs scored, RBIs, stolen bases, and triples while starting in right field for all 47 games. Endicott's leadoff man and third baseman Danny Mello (Peabody, Mass.) set a program record for stolen bases with 29 and led all Gulls players with 49 runs scored.

## MEN'S BASKETBALL

Endicott reached the TCCC semifinals for the first time since the 2006-07 season after posting a 17-10 overall record and an 8-5 mark in league play. Under second year head coach Phil Rowe, the team's 17 wins were five more than the previous season. As the #6 seed in the TCCC Tournament, the Gulls upset the #3 seed Roger Williams on the road to advance into the semifinals, where they came within three minutes of reaching the championship game, suffering a hard-fought 63-61 loss to Wentworth. First Team All-TCCC and D3Hoops.com All-Northeast Region honoree Lance Greene (Dorchester, Mass.) led the second-highest scoring offense in the conference with 15.0 points, 4.8 rebounds, 2.6 assists, and 1.9 steals per game. Junior center Erik Callo (Southington, Conn.) was the premiere shot-blocker of the TCCC, averaging 2.1 swats per game while freshman guard Lachlan Magee (Melbourne, Australia) blossomed in his rookie campaign with 13.2 points per game.

## WOMEN'S BASKETBALL

Senior leadership lifted Endicott to a 17-10 overall record and a 10-3 mark in TCCC play. Guard Ashley Wright (Merrimack, N.H.) was well-decorated for her efforts on-and-off the court during the 2010-11 season. Wright, who was named First Team All-TCCC, D3Hoops.com First Team All-Region, and ECAC Second Team All-New New England, produced a team-best 18.3 points per game and was ranked in the top five in the conference for several categories including scoring, steals, free-throw shooting, and three-point shooting. Wright and fellow senior Ashley Vitale (Wilmington, Mass.) each made Endicott women's basketball history by reaching the 1,000 career points milestone. Vitale was also named a First Team All-TCCC player for her dominating play at the center position averaging 14.4 points and 7.4 rebounds per game. Off the court, Wright was recognized for her superb performance in the classroom and in the community by being named a finalist for the prestigious Jostens Trophy, a Capital One Academic All-District First Team honoree, and the TCCC Senior Scholar-Athlete of the Year. The Gulls reached the TCCC Quarterfinals, qualified for the ECAC Tournament for the seventh straight season and reached the semifinal game.

## MEN'S AND WOMEN'S CROSS COUNTRY

The women's cross country team won the WNEC Invitational and had top five finishes at the Roger Williams Invitational and the TCCC Championship race en route to a competitive 2010 fall season. Endicott capped off their season with a solid finish at the NCAA New England Regional. Sophomore Holly Davis (Guilford, Conn.), freshman Jillian Mendes (Waterbury Center, Vt.), and freshman Kira DiCaprio (Poughkeepsie, N.Y.) were fixtures at the top of the Gulls lineup in every race. Between the three runners, they compiled 11 top-20 finishes. On the men's side, junior Greg Payne (North Attleboro, Mass.) continued his career as Endicott's top male runner, finishing in the top 15 in five races in 2010. Payne finished in first place overall at the WNEC Invitational and seventh place overall at the TCCC Championship. For his efforts, he was awarded All-TCCC status.

## EQUESTRIAN

Endicott equestrian made program history in 2011 when one rider, sophomore Anna Pavlov (Pound Ridge, N.Y.), defeated all other riders in the special flat and fences classes to take the Zone 1, Region 2 Challenge Cup. This made Pavlov the top Open rider in Region 2. Two riders earned spots in the Zone 1 championships at Mount Holyoke as Pavlov qualified with a win in Intermediate Flat and freshman Molly Shannon (Vernon Rockville, Conn.) with a Reserve in a class of 11 in Walk-Trot-Canter. As a team, Endicott also had their best finish in program history by receiving a banner and a ribbon for finishing second in Zone 1, Region 2. With many of the top

riders returning, the outlook for success in 2011-12 looks good for the Gulls.

## FIELD HOCKEY

The field hockey squad made deep runs at the TCCC and ECAC championships in 2010. The Gulls were tripped up by Western New England 2-1 in the TCCC Quarterfinals and then reached the semifinals of the ECAC Tournament before falling to Plymouth State 4-1. Endicott claimed their tenth straight season with at least ten wins, wrapping up their 2010 campaign with an 11-9 overall record. Six of those 10 victories came on games decided by one goal including a 5-4 overtime win over TCCC rival Gordon and a 2-1 double overtime triumph over non-conference foe St. Joseph's in Maine. For the second year in-a-row, senior forward Joanne Reid (Clarksville, Md.) earned a spot on the All-TCCC First Team after tallying 27 points on 10 goals and seven assists while starting in all 20 games for the Blue and Green. Senior defender Delia McDermott (Shaker Heights, Ohio) earned All-TCCC Second Team honors by helping her team post a 2.09 goals against average. Also earning an All-TCCC Second Team award was sophomore forward Hannah Thornberg (Oakland, Maine) who led the team with 13 goals and three assists.

## FOOTBALL

Under eighth year head coach JB Wells, the football team fired on all cylinders in 2010 with their offense producing record breaking numbers and their defense shutting down the opposition all season long. Their efforts as a team resulted in a 9-3 overall record, a 6-1 NEFC Boyd Division mark, a NEFC Championship, and a berth into the NCAA Tournament - all of which were program firsts. Coach Wells was recognized as Coach of the Year by the New England Football Writers and the Gridiron Club of Greater Boston following Endicott's historic season. Benchmark wins over Framingham State in three overtimes, Salve Regina and Curry in fourth quarter comebacks, Western New England to decide the Boyd Division winner, and Maine Maritime Academy in the NEFC Championship all highlighted Endicott's season to remember. Junior Kevin Eagan (West Hartford, Conn.) headlined the 12 Gulls that earned NEFC All-Division honors and the defensive lineman won not only NEFC Defensive Player of the Year, but also the ECAC DIII North Division Defensive Player of the Year, a New England Football Writers Association DII/III All-Star nod and D3Football.com All-East Region Second Team honors. Running back Mike Lane (Medfield, Mass.), quarterback Phil Konopka (Shelton, Conn.), and kicker Dylan Rushe (Palos Verdes, Calif.) earned their fair share of hardware for Endicott's balanced offensive attack. Lane rushed for 1,247 yards and seven touchdowns, Konopka passed for 2,159 yards and 21 touchdowns and Rushe converted all 39 of his extra-point attempts while making 14-of-19 field goal attempts.

## MEN'S GOLF

One year removed from winning the TCCC and ECAC Championships, the Endicott golf team returned to the links and nearly repeated as champions. The Gulls placed second as a team in both tournaments behind top-10 performances from senior Andrew LaRocque (Averill Park, N.Y.) and sophomore Jackson Wyman (Falmouth, Maine). LaRocque completed his senior season by earning medalist honors at the UNE Invitational for the second year in-a-row for being the tournament's top finisher. Wyman, who had three top-10 finishes in his rookie year, made five top-10 appearances in 2010, including second place nods at the UNE and ECAC Tournaments and a fourth place finish at the University of Southern Maine Invitational. Sophomore DJ Bennett showed flashes of brilliance for the Gulls, logging a fourth place finish at UNE and a fifth place finish at Southern Maine.

## MEN'S LACROSSE

For the third time in program history, Endicott reached the second round of the NCAA DIII Men's Lacrosse Tournament after winning the 2011 TCCC Championship. The Blue and Green played top-ranked team in the nation, Salisbury University, and nearly pulled an upset with a hard-fought 12-8 loss. Prior to their NCAA Tournament run, the Gulls captured a stunning 13-12 overtime victory over Western New England, marking the seventh conference title in program history. Led by 11 All-TCCC selections, Endicott rolled to a 9-1 record in conference play and finished with a 16-5 overall standing. As usual, the Gulls competed in a tough non-conference schedule where they registered wins over Springfield, Williams, and Tufts, who was ranked #1 in the country before losing 9-8 to Endicott. Senior Chris Cotter (Lordship, Conn.) led

Jack Curtis (Chelmsford, Mass.) had a team-high 28 assists. Senior defenders Andrew Pochebit (Portland, Maine), Robert Crossett (Katonah, N.Y.), Kevin Downes (Cheshire, Conn.) and Jeff Abbott (Hinesburg, Vt.) combined to cause 131 turnovers in 2011. Cotter and Pochebit were named USILA All-Americans while Pochebit, Crossett and Curtis earned NEILA All-New England status.

## WOMEN'S LACROSSE

Women's lacrosse continued their streak of consecutive conference championships by adding their sixth title in-a-row in 2011. After dropping their regular season meeting with Western New England, the Gulls exacted revenge on the Golden Bears by winning 10-4 in the TCCC Championship to earn a bid into the NCAA Tournament. Endicott's season ended in the first round of the national championship tournament with a loss to Tufts. The Blue and Green finished their spring season with a 14-7 overall mark and a 10-1 record against league opponents. Their one conference loss broke a streak of 43 straight conference victories dating back to 2007. Led by top point-getter and junior attacker Morgan DeShaw (Danville, N.H.), who scored 66 goals and assisted on 19 more, Endicott proved to be the highest scoring offense in the conference. Sophomore Holly Davis (Guilford, Conn.) and senior Kellie Cunningham (Derry, N.H.) each contributed with 63 and 41 goals, respectively. DeShaw and Davis each made the IWLCA All-Region Team. On defense, senior Brittany Kane (Scarborough, Maine) and freshman Kelsey Barnes (Brookside, N.J.) combined for 40 caused turnovers and 75 ground-balls. In total, eight players were recognized by the TCCC for their outstanding efforts this season by being named to the All-TCCC team.

## MEN'S SOCCER

The Gulls reached the TCCC Tournament for the first time since the 2006 season following a 6-10-1 season in 2010. Endicott went 6-4-1 in their final 11 games to solidify a spot in the conference playoffs. The Blue and Green exited in the first round of the tournament, falling to top seed and eventual champion Nichols 2-0 in the quarterfinals. The season was highlighted on October 13th when Gulls senior Bryan Lee (Rockport, Mass.) scored a game-winning goal with 0.4 seconds left in double overtime against Curry to give Endicott a 2-1 win. Lee went on to earn Second Team All-TCCC honors for his leadership and defensive presence in the Gulls backfield. Freshman forward Alex Elia (Somers, Conn.) led the team with four goals, including two game-winners against Anna Maria and New England College. In 2011, the Gulls turn to new head coach Joe Calabrese to catapult the men's soccer team to playoff success and their first conference title since 1999.

## WOMEN'S SOCCER

Endicott's efforts to reach the NCAA Tournament for an eighth consecutive season fell penalty kicks short as the Gulls suffered a hard-fought defeat to Roger Williams in the TCCC championship match. The Blue and Green did, however, make a deep run at the ECAC Championship with shutout wins over Suffolk and UMass Boston before falling 3-1 to Keene State in the title match. Endicott's 17 wins in 2010 marked their eighth season in-a-row with at least 15 wins and their 14th straight year with at least 10. Several Gulls earned individual accolades including seniors Kayla Corbett (Danvers, Mass.) and Victoria Hunt (Cumberland, R.I.), junior Colleen Pepin (Fairhaven, Mass.) and sophomore Caitlin Peters (Salem, N.H.) who all earned All-TCCC status. Corbett, Pepin and Peters each garnered Second Team All-Region by the NSCAA as well. Pepin led the team with 25 goals and eight assists with Corbett chipping in with 12 goals and four assists. Freshman keeper Natalie Wyrsh (Dover, N.H.), in her first season between the posts for the Gulls, sported a 1.05 goals against average while making 79 saves.

## SOFTBALL

The softball program has been a model of consistency since head coach Mark Villeux took over the program in 1995. Twelve conference championships later, the Gulls are one of the top teams in the region and can be found in the NCAA Regional Tournament every season.

This year's squad, who won their ninth straight TCCC title, featured senior leadership infused with freshman talent that resulted in a 36-8 overall record with a 23-1 mark against TCCC opponents. Senior pitcher Jenna Bortolotti (Milton, Mass.), recognized as the TCCC's Pitcher of the Year, set down opposing batters en route to a 16-8 record in the circle. Fellow seniors Ashley Wright (Merrimack, N.H.) and Hayley Hovhanessian (Farmington, Conn.) had career years with Wright batting over .400 with a team-high 15 stolen bases and Hovhanessian scoring 39 times and knocking in 31 runners. Freshman Jennie Lacolla (Stoneham, Mass.) received numerous accolades including Player and Rookie of the Year from the TCCC after batting .451 with 52 runs, 44 RBIs, and 22 extra base hits, including eight homeruns. Fellow newcomer, shortstop Mattie Brett (Waterford, Conn.) led the team with 45 RBIs and tied with Lacolla and sophomore Jocelyn Russo (Middletown, Conn.) for a team-high 55 hits.

## MEN'S TENNIS

Under first-year head coach Lauren MacKay, the men's tennis team surpassed their win total from a season ago with an 11-8 overall record.

The Gulls, who earned the #4 seed in the TCCC Tournament after posting an 8-3 mark in league play, soared past Gordon in the quarterfinals before falling just short of their first ever TCCC Championship appearance with a 5-2 loss to Nichols in the semifinals. Several Endicott student-athletes had memorable years including first-year player Zach Arpey (Saratoga Springs, N.Y.) who was named TCCC Rookie of the Year after an undefeated season in singles play. Arpey was a perfect 17-0 in singles and was also named Second Team Singles All-TCCC for his efforts. Arpey and #1 doubles partner Devon Locke (St. Croix, Virgin Islands) were honored as First Team Doubles All-TCCC players after going 12-7 as a duo in 2011. Locke and sophomore Olivier Joggi (Stoneham, Mass.) were also recognized by the TCCC as Honorable Mention Singles players.

## WOMEN'S TENNIS

First year head coach Lauren MacKay brought the women's tennis team back to the conference playoff tournament for the 16th straight season as the Gulls went 8-6 overall with an 8-3 league record. Endicott suffered a defeat in the quarterfinals of the TCCC Tournament, falling to rival Colby-Sawyer 5-3 but several players achieved individual accolades following another successful season. Junior Kate Cioffi (Essex, Vt.), who already earned First Team Singles All-TCCC honors in both her freshman and sophomore seasons, once again was awarded First Team Singles status. She went 9-2 at the #1 singles spot. Cioffi and fellow junior Emily Annis (Hampton, N.H.) were named All-TCCC Honorable Mention for posting a 5-2 record at the #1 doubles position.

## MEN'S VOLLEYBALL

The men's volleyball team rattled off their third straight season with at least 20 wins, posting a 24-14 overall record and 14-2 mark in the NECVA New England Division. Endicott's second place finish in the division, along with key wins over regional powerhouses MIT, Emmanuel, and Lasell resulted in a spot in the NECVA Playoffs for the straight fifth year. As the #11 seed in the tournament, the Gulls faced the #6 seed Emmanuel but lost 3-1. Endicott went on to play in the ECAC Tournament as the host #1 seed and made the championship match before falling to #2 seed Newbury 3-1. Junior libero Andrew Slocum (Burnt Hills, N.Y.) earned a spot on the NECVA All-Conference First Team after recording career-highs in digs (285), digs per set (2.34), and receptions percentage (.970). Five Gulls earned All-New England Division awards from the NECVA with Slocum, Zeke Kubisch (Bethlehem, N.Y.), Matt Devendorf (Glastonbury, Conn.), Jeremy Siden (Natick, Mass.) and Travis Netherton (Waukegan, Ill.) all garnering recognition. Siden led the team in kills (318), Netherton in blocks (122), while Kubisch and Devendorf each eclipsed the 250 kill mark.

## WOMEN'S VOLLEYBALL

For the seventh season in-a-row, the Endicott women's volleyball team found themselves in the TCCC Championship, but the Gulls were unable to capture their fifth conference title. Endicott lost to Roger Williams in straight sets, then went on to the ECAC Championship final where they came up short against Keene State, ending their 2010 campaign with a 24-16 mark. The Blue and Green continued their TCCC dominance in 2010 with a 9-1 record, improving their standing against league foes to 63-4 since the team's first conference championship in 2004. Five players earned All-TCCC honors including First Team honoree, senior Brittney Phillips (Sudbury, Mass.). Phillips, also named a NEWVA All-New England in 2010, set a single-season Endicott record for kills (435) and finished her career third on the all-time list with 1,299. Fellow senior Amy Grigg (Vernon, Conn.), a TCCC Honorable Mention, became the program's all-time leading blocker, setting the record at 459 career stops at the net. Junior setter Sarah Allshouse (Berthoud, Colo.) and junior right side hitter Elyse Barbour (Greenville, R.I.) were each named to the All-TCCC Second Team while sophomore outside hitter Falyn Torelli (Pelham, N.Y.) was given an Honorable Mention.

# ENDICOTT CLUB SPORTS

## CHEERLEADING

The cheerleading squad was a fixture at home football and basketball games throughout the year providing phenomenal spirit for the Blue and Green. The Gulls have made plans to expand their efforts for the 2011-12 academic year. They will do so under new head coach Marisa Mandracchia who plans on leading the Lady Gulls back into regional competition. Look for the squad to make an impact once again at our varsity events in the fall of 2011.

## CREW

The crew team worked towards another New England Collegiate Rowing League (NECRL) Championship with a strenuous winter conditioning program, and their efforts paid off as the women's varsity 4+ and the women's novice 4+ each captured the NECRL Championship. The varsity squad beat the second place Brandeis boat by a full 20 seconds, while Endicott's novice crew won by 15 seconds over Wentworth in the championship race. On the men's side, the novice 4+ rowed the fourth fastest time on the river at the NECRL Championship but came up just short of winning the race. Endicott's mixed roster boats also had stellar finishes with both varsity and novice 4+ taking second place. At the Dad Vail Regatta in Philadelphia – against some of the toughest competition in NCAA Division II, Division III, and club programs in the country – the Gulls held their own in the women's varsity 4+ and men's novice 4+ races. The Gulls have their sights set on repeat performances at the NECRL Championship and appearances at the Dad Vail Regatta.

## DANCE

The dance team competed against ten other college dance teams from New York, Connecticut, and Massachusetts for the regional University Dance Association title. After their experience at the UDA Nationals in January, the Gulls were ready to take on the challenge and won the regional title for the Division II and III Open Jazz Division for the first time in program history. Endicott also won the best dressed award at the competition. The Dance Team far and away surpassed their accomplishments from the 2009 and 2010 seasons when they finished in second place at Regionals. With the UDA regional title in their possession, the Endicott Dance Team now looks ahead to the 2011-12 academic year as they plan to make a splash on the national stage.

## WOMEN'S GOLF

The women's golf program seeks to attract female student-athletes interested in the game. The program has the great fortune of competing at Essex County Club, one of the premier golf courses in the country. Coach Coan assumed responsibility for directing the program in April of 2010. He is committed to working with the student-athletes to enhance their skills, knowledge, and enjoyment of the game.

## MEN'S ICE HOCKEY

The men's ice hockey program wrapped up the 2010-11 campaign with a 12-10-2 overall record under first year head coach Mark O'Meara. The Gulls finished 2-6 in the highly competitive NECHA Patriot East division and showcased key wins over the top two teams, Northeastern and Bryant. The Blue and Green climbed to a number five ranking in the northeast by the ACHA after a 4-1 stretch in early November. At season's end, the Gulls captured a number 12 ranking out of the 44 Division II ACHA club hockey teams. Three players – junior Matthew Zimmerman (South Glastonbury, Conn.) and freshmen Cameron MacLeod (Hampton Falls, N.H.) and Ryan Pratt (Waltham, Mass.) – were selected to play for the NECHA team in the all-star challenge. A number of contributing underclassmen will return for the 2011-12 season as the Gulls look to return to postseason play after a two year hiatus.

## WOMEN'S ICE HOCKEY

In just its second season, the women's ice hockey team went 4-3-1, recording wins over Mount Holyoke, UMass Lowell, Wheaton, and Harvard. Seniors Sarah McMahon (Wilmington, Mass.), Lindsey Mills (Arlington, Mass.), and Erin Shattuck (North Chelmsford, Mass.) were essential to the Gulls success this year and leave the program in the able hands of a talented group of underclassmen. The Blue and Green will look to capitalize on a veteran core of players as they welcome a new recruiting class to Beverly.

## SAILING

The sailing club has just received a new home at Winter Island in Salem, Mass. just a few miles from campus. This relationship was developed with Sail Salem and is an exciting new partnership that the sailing team looks to build upon. The team seeks to attract both male and female student-athletes interested in learning to sail. Endicott is part of the New England Collegiate Sailing Association and plans to boast a strong new campaign for the upcoming year!

“...all students are challenged and encouraged to reach their physical, intellectual, and social potential...”

## CAMPUS VISITS AND INTERVIEWS

Although a personal interview is not required for admission, we strongly encourage you to visit Endicott. This will be an important opportunity for you to meet students, members of the Athletic Department, and administrators, and to tour our beautiful oceanfront campus.

To arrange your visit please call the Admission Office at 978-921-1000 or 1-800-325-1114 (outside MA).

FOR MORE INFORMATION ON  
ENDICOTT'S ATHLETIC PROGRAMS,  
PLEASE VISIT OUR WEBSITE  
[WWW.ECGULLS.COM](http://WWW.ECGULLS.COM)
