BUILDING CHARACTER
THROUGH ATHLETICS

Just as Endicott's curriculum is enhanced by the internship experience, varsity athletics allows students to test and form life-long values and habits that build their character and shape their identity. Intercollegiate athletics have become a valuable part of the Endicott community. Each year, over 475 students participate in 18 NCAA Division III sports and more than 85 students compete on our club varsity sports. Since joining Commonwealth Coast Conference (CCC) in September 1999, the Gulls have won 56 league and tournament titles and have made 83 post-season appearances in NCAA or ECAC tournaments. The quality of our teams is a source of pride for our student body, as games and tournaments attract impressive crowds. Add to that another 1,000 students who participate in club and intramural sports, and you get an active, vibrant, and engaged sports community.

Our students are well prepared for both academic and competitive challenges. As our athletic success blossoms, so do opportunities to compete at elite regional and national levels. Throughout the last few years, Endicott teams have captured numerous CCC titles, played in NCAA tournaments, won ECAC titles, and finished their respective seasons in National and New England rankings. Additional resources are necessary, above what tuition provides, to assist the College with its growing athletic and club varsity programs. We want our athletes to be aware that they are supported as they build traditions and legacies at Endicott. Parents of athletes, athletic alumni, faculty, staff, and friends can send a message of support to current Endicott student-athletes and coaches by making a contribution to the Gull Club. Your gift can be restricted to your favorite team(s) or unrestricted to the general fund to be used in critical need areas.

WHY JOIN? The Endicott athletic program supports a full and rich experience for both male and female athletes. By joining the Gull Club, you provide Endicott athletes with additional resources that will enable them to compete at the highest level possible. The Gull Club helps augment operating budgets to provide the very best in:

- ▼ Equipment/Training Resources
- ▼ Facilities
- ▼ Staffing
- ▼ Support Services
- ▼ Uniforms/Warm-ups/Travel Suits
- ▼ Transportation/Meals
- ▼ Technology and Recruiting Services

The combined support of the College and the Gull Club will have a significant impact on all of our student-athletes.

BELIEVE. ACHIEVE. SUCCEED.
