Notes & Explanations of Charges

† Enrollment/Continuation Deposit

New full-time, day division students are required to pay a \$500 Enrollment/Continuation Deposit by May 1 for fall admission or by December 15 for spring admission. For new accepted students, the deposit initially reserves a place at the College. The Enrollment/Continuation Deposit is not interest bearing. It is non-refundable if the student fails to matriculate or if the student withdraws from the College. Once the student has matriculated at Endicott College, this one-time deposit allows the student to register each semester and participate in room selection each year with no additional deposits required for the entire period of enrollment. This deposit will be fully refunded (less any outstanding financial obligations) upon the student's graduation. If a student requests a leave of absence, the deposit will serve as a reservation to return to the College. Part-time students are also required to pay the Enrollment/Continuation Deposit. The \$500 deposit is credited toward tuition costs for the semester in which the part-time student matriculates. The deposit is not refundable if the student does not enroll. If a part-time student changes status to full-time, the student will be required to pay the deposit at the time the enrollment status is changed.

NOTES:

Traditional Halls: Alhambra, Bayview, Beacon, Brindle, Endicott, Frates, Hale, Hamilton, Marblehead, Reynolds, Rogers, Stoneridge, Trexler, Wenham, Winthrop, 11 Abbott Street, and 205 Cabot Street .

1. Full day tuition is charged to day division students enrolled in 12 or more credit hours per semester. This includes the 12-credit semester internship, which may be taken in fall, spring, or summer. This also applies to students studying abroad for a semester, unless the tuition of the program abroad exceeds Endicott's.
2. The Massachusetts Universal HealthCare Program requires all students with nine credit hours or more to have this coverage. This health insurance charge may be waived upon proof of comparable coverage and completion of the waiver form. This charge appears on the student's first bill with a brochure explaining the coverage. **The waiver form must be completed online by the published deadline or payment of the coverage will be required.**
3. General Curricular Fee is charged to all undergraduate students and covers a variety of services and activities supporting academics, student life, residential life, and athletics at Endicott. The fee provides peer tutoring and Writing Center support services, Information Technology support, state-of-the-art computer labs, student activities including support of clubs and organizations, internet access, technology in the classrooms, intercollegiate athletics, and the shuttle transportation system connecting the campus with downtown Beverly, area malls, and the MBTA train station. The fee also provides students with access to the Raymond J. Bourque Ice Arena for open ice skating, recreation, and various non-ice activities, such as concerts, held at the facility.
4. The overload fee applies to students carrying more than 19 credits per semester.
5. Payment for semester tuition, room, and board charges is due by the due date listed at the top of the front page. A \$250 late payment fee will be assessed to accounts not financially cleared by these dates.
6. The Graduation Fee covers a variety of student activities associated with commencement, including degree audit, preparation of diploma, cap and gown, and graduation events and ceremonies.

Failure to meet payment dates for the above fees or other campus-related charges (i.e. telephone, library fees, parking fines, etc.) may result in the withholding of grades and transcripts or more stringent steps. It is the student's responsibility to view his or her bill online and grant access to a parent or guardian to view the bill online. It is the student's responsibility to be sure that the payment is made by the published due dates to avoid a \$250 late fee. If the student's account becomes delinquent, a report may be filed with a credit bureau, and the student will be responsible for all reasonable collection costs, including attorney's fees and other charges necessary for the collection of the debt. It is the student's responsibility to read and understand the fee schedule, due dates, and refund policy pertaining to withdrawals. Please note that a medical leave of absence is subject to the same refund policy as all other withdrawals.

Payment Plans

Endicott College provides an interest-free, debt-free way to spread tuition payments over a number of months through a private payment plan provider. The payment plan is not a loan, so there are no interest payments, only a low enrollment fee. Visit endicott.edu/e-bill, then select "Payment Plans" from the menu options and follow the instructions to enroll.

The Fee Schedule is accurate at the time of printing but is subject to change from time to time as deemed appropriate by the College in order to fulfill its role and mission or to accommodate circumstances beyond its control. Any such changes may be implemented without prior notice and without obligation and, unless specified otherwise, are effective when made.
