Get to Know Your Benefits

Who is eligible for benefits?

The benefits outlined in this brochure are for employees who work an average of 20+ hours per week year round. If you are an Endicott benefit-eligible employee, you are eligible to enroll in the benefits described in this guide.

If you are a newly-eligible employee, your health benefits will start on the first day of the month following your hire or transfer date.

Don't forget—you must enroll in benefits within 30 days of your hire/transfer to benefit-eligible position date, or you'll have to wait until the next open enrollment period (unless you have a qualifying event).

Who are my eligible dependents?

In general, eligible dependents are your:

- Spouse, if legally married
- Child(ren) up to age 26
- Disabled child(ren) over age 26
- Ex Spouse (only one spouse is permitted on the insurance plan)

Can I change my benefits when there are changes in my life?

When life changes, make sure you adjust your benefits. You can change your benefits coverage during the plan year if you have a qualifying event. Eligible qualifying events are:

- Your employment status changes, including moving into or out of a role with 20+ hours per week
- Your spouse or eligible dependent loses or gains coverage
- Your legal marital status changes, including marriage, death of spouse, divorce, or legal separation
- Your number of dependents changes, due to the birth of a child, adoption, or death of a dependent
- Your dependent reaches age 26 and is no longer eligible for your plan
- You and/or your dependents move to a new residence outside of the plan's coverage area

You must make your changes in Workday within 30 days of the qualifying event.

Without a qualifying event, benefit selections may only be changed during open enrollment.

Making changes in Workday after a qualifying event

Immediately following a qualifying event, submit a change of benefit request in Workday, attaching documentation (e.g., marriage certificate, statement of birth, divorce decree, or loss or gain of coverage letter) that confirms your qualifying event. You must do this within 30 days of the event.

What happens to my benefits if I go on leave?

If you are being paid by Endicott (through PFML, sick, or vacation) for any part of your leave, your share of your benefits cost will be deducted from that pay. If you are on unpaid leave, you will be able to continue your health benefits through the Consolidated Omnibus Budget Reconciliation Act or COBRA.

Medical

Medical Insurance

All medical insurance benefits are provided through Blue Cross Blue Shield of Massachusetts.
You have two options for health insurance:

HMO Blue NE Deductible—an HMO plan that requires you to use an in-network provider. You must choose a primary care physician (PCP) and obtain referrals for specialty care.

- Plan deductible: $500/$1,000
- Most services require a copayment at time of visit.
- Annual routine exams are paid at no cost to you.

PPO Saver 3000—a PPO plan that offers in- and out-of-network coverage. You must also pay a deductible before the plan pays for most services. If you choose to go out-of-network, you pay additional out-of-pocket costs.

- An annual deductible of $3,000 for an individual or $6,000 for a family applies. Endicott will cover half of your out-of-pocket deductible in the form of a Health Savings Account.
- Most services are subject to deductible.
- Annual routine exams are paid at no cost to you.
- Out-of-network coverage has co-insurance.

Health Savings Account (HSA)

Employees and dependents enrolled in the PPO Saver 3000 plan qualify for the HSA.
You are eligible to contribute to an HSA unless you are over age 65 and enrolled in Medicare.
The HSA is administered through HealthEquity.

- Endicott will contribute $1,500 per Employee or $3,000 per Employee + 1 or Family annually. The employer contribution will be funded on the election date, based on the start date.
- Use your HSA to pay for eligible expenses with tax-free dollars or choose to pay out-of-pocket and let your HSA balance grow over time.

The IRS Federal limits for HSA contribution in 2027 is:

- $4,500 per individual plan
- $9,000 plus one or more
- Catch up contribution of $1,000 catch up for individuals age 55+

Endicott College recognizes the importance of providing you with a retirement plan. This is an important part of your overall benefits and can help you reach your retirement goals and prepare for your financial future.

Endicott College helps new employees take the first step by enrolling them in the Endicott College Defined Contribution Retirement Plan.

Retirement plan features include:

If you are an eligible employee, you have 30 days from your eligibility date to enroll on your own or opt out of participating in the Endicott College Defined Contribution Retirement Plan. Visit **tiaa.org/endicott** to make your selection.

If you are an eligible employee and don't enroll or opt out within 30 days, you will be automatically enrolled at 2% of your annual salary, and contributions will be directed to the target date fund closest to your projected date of retirement. Your beneficiary information will be set to "Estate."

Employees can make voluntary pretax contributions/Roth after-tax contributions to the plan, up to a maximum amount determined annually by the IRS. You can elect to automatically increase your contributions to help save more for retirement. You select the amount of the increase, the frequency and when to start and stop it.

Full time employees, age 25 or older, are eligible for employer contributions after one year of service.

Part-time employees that transfer to full-time employees and are age 25 or older, will be eligible for employer contributions on January 1 following the completion of 1,000 hours of service.

Once eligible for the employer contributions, if you contribute 2% or more, the college will contribute 8% of your pay to the plan on your behalf. If you do not make a 2% contribution (i.e., opt out of the plan), the college will contribute 6% of your pay to the retirement plan on your behalf.

You can make updates to your account at any time.

Quick guide to managing your retirement account online

Once enrolled, log in to your account to:

Graduate programs, online courses and programs, institutes and certificate programs are included in tuition remission. Independent studies may be approved for tuition remission at the discretion of the Provost. The benefit covers 100% of the cost of tuition. You are responsible for any fees, including application fees, registration fees, books, materials, and any other course expenses. Please visit GullCentral for further details.

Tuition Exchange

After one year of employment, the tuition exchange scholarship allows your dependent child to attend an undergraduate program at a participating college or university at a discounted tuition rate. Please visit GullCentral for further details.

Vacation Time:

Upon hire, all regular benefit eligible positions will begin accruing three weeks' vacation per year. After three years, the accrual increases to four weeks.

Carry-over limits are equivalent to one time the annual accrual, based on the FTE multiplier.

How vacation and sick hours are calculated:

All positions are based on a full-time equivalency (FTE) multiplier.

Full-time regular positions work 35 standard hours per week.

Public Safety & Police, Wylie Center & Tupper Manor, and Facilities Management work 40 standard hours per week.

Three weeks' vacation * 35 standard hours per week = 105 hours
Three weeks' vacation* 40 standard hours per week = 120 hours

Part-time, 20 hour per week hourly and exempt worker's entitlement is calculated as:
Three weeks * 35 hours/week standard * 0.57 FTE = 60 hours
A 10 month academic year worker's entitlement is calculated as weeks * 35 hours/week standard * 0.83 FTE (10/12 months) = 87.15 hours

All accruals are calculated and accrued each pay period.

Part-time, non-exempt employees working less than 20 hours are not eligible for vacation accrual.

Part-time, hourly, 10-month employees who work 20+ hours per week are not eligible for vacation accrual.

Employees who receive PAPs do not earn vacation time
(see page 15 section).

Sick

Endicott provides you with sick time. The intent of offering this time is to help employees and their families maintain wellness, not just to take time when sick.

Sick time is available for you to use for occasional personal illness not covered by Paid Medical Leave or Short-Term Disability, or to attend routine medical or dental appointments. You may use up to 40 hours per year of sick time to care for a family member or to accompany a family member to routine medical or dental appointments.

12 month positions accrue 12 days per year; maximum up to 120 days.

Part-time workers with 20 or more hours scheduled per week will accrue sick time based on the FTE multiplier.

Part-time, non-exempt employees with less than 20 hours scheduled per week will be eligible to accrue Massachusetts sick time at a rate of one hour for every 30 hours worked.

Personal Time

Personal time is issued on July 1 of each year.

12-month, full-time employees receive three personal days; pro-rated based on start date.
Full-time Public Safety employees receive five personal days; pro-rated based on start date.

Personal days not used within the fiscal year in which they are given are forfeited.

Flexible Time

The ECFA Agreement states that certain, non-12 month union jobs require a flexible schedule throughout the year. Due to the flexibility needed, an allotment of 33 days of time will be added under Personal Time in Workday, to be used when taking flex time off.

If you have a serious medical condition, have a baby, or welcome a foster or adopted child into your family, Endicott has programs to protect your income while on leave. Some of these are familiar to you, such as Sick and Short-Term Disability. The College is pleased to also offer Paid Medical Leave (PML) for those who are eligible. This benefit is only available to employees who work in Massachusetts.

Paid Medical Leave (PML) is an insurance Endicott has purchased to ensure compliance with the Massachusetts Paid Family & Medical Leave law.

- Endicott now provides you with Paid Medical Leave. You will receive a percentage of your pay, based on a calculation using your actual pay over the last four quarters and the average weekly pay across the Commonwealth of Massachusetts. Endicott continues to provide you with **Short-Term Disability (STD)**. If PML does not provide you with 60% of your base salary, STD will supplement PML to a maximum of $3,500 per week.
- You may use PTO to continue pay during the waiting period.
- Both PML and STD are available after a five (5) day waiting period.

Endicott continues to provide federal Family & Medical Leave Act (FMLA) coverage. FMLA protects your job for up to 12 weeks for your or a family member's serious medical condition. It does not provide any type of salary continuance. In almost all circumstances, the policies described above provide the same or more job protection and also provide some level of income.

MetLife | Legal Plans

Cover the costs on a wide range of common legal issues with a Legal Plan.

Access experienced attorneys to help with estate planning, home sales, tax audits and more.

Powerful legal protection on your side

Quality legal assistance can be pricey. And it can be hard to know where to turn to find an attorney you can trust. With MetLife Legal Plans, you have access to the expert guidance and tools you need to navigate a broad range of personal legal needs. Whether you're buying or selling a home, starting a family, or caring for aging parents, the benefit provides protection at every step.

Reduce the out-of-pocket cost of legal services with MetLife Legal Plans.

How it works

Our service is tailored to your needs. With network attorneys available in person, by phone or by email and online tools to do-it-yourself — we make it easy to get legal help. And, you will always have a choice in which attorney to use. You can choose one from our network of prequalified attorneys or use an attorney outside of our network and be reimbursed some of the cost.[1]

Best of all, you have confidential access to our attorneys for all legal matters covered under the plan. For a monthly fee conveniently paid through payroll deduction, an expert is on your side as long as you need them.

Estate planning at your fingertips

Our website provides you with the ability to create wills, living wills and powers of attorney online in as little as 15 minutes. Answer a few questions about yourself, your family and your assets to create these documents instantly. In states where available, you also have access to sign and notarize your documents online through our video notary feature.[2]

How to use the plan

1. Find an attorney

Create an account at members.legalplans.com to see your coverages and select an attorney for your legal matter. Or give us a call at **800-821-6400** for assistance.

2. Make an appointment

Call the attorney you select and schedule a time to talk or meet.

3. That's it!

There are no copays, deductibles or claim forms when you use a network attorney for a covered matter.

Helping you navigate life's planned and unplanned events.

For a monthly fee, you, your spouse and dependents get legal assistance for some of the most frequently needed personal legal matters — with no waiting periods, no deductibles and no claim forms when using a network attorney for a covered matter. And, for non-covered matters that are not otherwise excluded, your plan provides four hours of network attorney time and services per year.[3]
