

### Early Decision Agreement Form

Endicott College is pleased to offer Early Decision Application Plans for students who know the College is their first choice. Early Decision is a binding agreement, which means that if you are admitted under this application plan you will enroll at Endicott College and withdraw all other applications submitted to other institutions. The below information is required for your Early Decision Applications to be completed and reviewed.

Please note that students seeking to apply for financial aid with the Early Decision Application Plans, should plan to submit their Free Application for Federal Student Aid (FAFSA) by **December 1 for Early Decision I and February 1 for Early Decision II**. This will allow the College to share a full cost of attendance with or soon following the admission decision.
