

Endicott Alma Mater

Oh Endicott, Oh Endicott
We give our praise to thee
Forever in our hearts and minds
Our love and loyalty
The walks along the bridge and ponds
The shore shines brilliantly
The bay and ocean just beyond
Where boats set out to sea

The wisdom, knowledge, truth, and grace
We learned here earnestly
Experience will be our guide
And bring tranquility
As years go by
Our college days, a distant memory
The blue and green will always have
A home in Beverly

Oh alma mater Endicott
We sing our loyalty
Oh Endicott, Oh Endicott
We give our praise to thee
