

Office of Student Transitions & Family Programs Parent & Families Newsletter

Happy October! It was great to meet many of you during Homecoming & Family Weekend. If you were able to join us, I hope your experience on our campus and visiting your Gull was a great one. If you were not able to join us, I encourage you to put next year's Homecoming & Family Weekend dates (Oct. 13–15) on your calendar.

As we get into the heart of the semester, students are thinking about midterm exams and picking out the perfect Halloween costume. I know that both of these topics are on the minds of my soon-to-be 17-year-old daughters. My daughters will be visiting campus on Oct. 22 for our Fall Open House. I'll be taking plenty of notes as my professional and personal worlds begin to collide.

We have a packed month of events and programs that support students both academically and socially. Please see below for more details and, as usual, please let me know if you have any questions or concerns as we head into Fall at the Nest!
