

Office of Student Transitions & Family Programs Parent & Families Newsletter

The Office of Student Transitions & Family Programs focuses on developing lasting relationships with students and families that begin at acceptance and extend through Commencement. Parents and families are critical partners in helping us support students throughout their entire Endicott experience.

In addition to supporting parents and families, we plan and coordinate Homecoming & Family Weekend, Orientation for new and transfer students, and create programming that focuses on the first-year and second-year experience.

Our programs strive to help students find their place in our community, and build the social skills needed to make the most of their Endicott experience.

DEIB:

Belonging is Our Sixth Sense is the Center for Belonging & Inclusion's theme this year. We have events throughout the month that promote self-awareness and belonging. Our faith groups (Christian, Catholic, Jewish, Buddhist) will start regular meetings and activities. Every Wednesday at 7 p.m., we have a meditation and self-reflection group open to all. September 20 we will offer a joint event with the North Shore Alliance of GLBTQ Youth (NAGLY). September 22 we kick off Hispanic Heritage Month with a film and discussion with one of our Spanish professors. We will support our Jewish students to attend the Jewish New Year Services at a local temple and will offer the ritual of Tashlich on September 26.

If we can support your Gull and their sense of belonging, please contact Rev. Dr. Gail Cantor gcantor@endicott.edu.
